

I'm just trying to get some money and some peace of mind. To have no worries, school my kids and just be happy. Hi this is Lon Solomon, pastor of McLean Bible Church, and this was the explanation a man gave to a Washington Post reporter on why he plays the lottery every week. You know C.S. Lewis the famous author said, God cannot give peace and happiness apart from Himself because there's no such thing. In other words, winning the lottery won't bring these things to this man's life or anyone else's life. But friends, giving your life to Jesus Christ, being in real personal relationship with almighty God will. Hey giving your life to Christ is like winning the ultimate lottery. Not a Sermon, Just a Thought.
