

I have been driven to my knees many times because there was no place else to go . Hi, this is Lon Solomon, pastor of McLean Bible Church, and these words were spoken by President Abraham Lincoln. You know President Lincoln is right. Many times in the visitudes of life there is simply no other place to go but to God on our knees. Now the great good news of the Bible is that this is not an empty, fruitless exercise. Because the Bible tells us that there really is a living God out there who really cares for each one of us, and who really is willing to intervene in the affairs of this world on our behalf. But God only commits Himself to do this for those who have surrendered their lives to Jesus Christ. Why not be one of those people? Not a Sermon, Just a Thought.
