

Poor people may have nothing to eat, they may not have a home to live in, but to be spiritually poor is the worst poverty of all. Hi this is Lon Solomon, Pastor of Mclean Bible Church and these words were spoken by Mother Theresa at the National Prayer breakfast right here in Washington, DC. You know Mother Theresa was right and Jesus agrees with her too. He said what good is it if a person gains the whole world and loses their own soul. Now we here in America see the effects of spiritual poverty at epidemic levels today. With alcohol abuse, drug abuse, crime, domestic abuse, pornography, the abuse of power, greed and rampant materialism, but Jesus said I am the bread of life, if a person comes to me they will never hunger again. Hey friend, why not let Jesus Christ take care of your spiritual poverty? Not a sermon, Just a Thought.
