

For any person not in possession of a family vault it is forbidden to die in this city . Hi, this is Lon Solomon pastor of McLean Bible church, and what you ve just heard was said by a mayor of a small city on the French Riviera. Seems like the city had run out of cemetery space so the mayor decided to ban death in his city. Well wouldn t be nice if it were that simple? And yet the truth is death remains the irresistible force that none of us can escape. Now the Bible agrees with this. Saying it is appointed to people once to die and after that to face the Lord in judgment. Friends, being prepared to die means being prepared to face the Lord. This is why Jesus came and gave His life on the cross so you and I could be prepared. Hey since nobody can ban your death, why not prepare for it by appropriating what Jesus did for you on the cross. Not a Sermon, Just a Thought.
